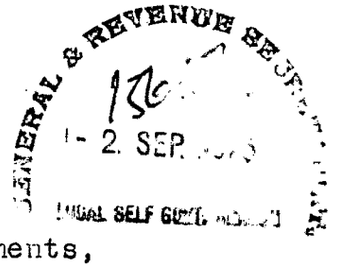
No. C.328-3. Surgeon 5.8.25

Encl. one

OFFICE OF THE SENIOR SURGEON
WITH THE GOVT. OF MYSORE,

BANGALORE. 21/7/25 192

Senior Surgeon with the Government of
His Highness the Maharaja of Mysore,
Bangalore.



To

The Secretary to Government,
Local and Legislative Departments,
Bangalore.

Sanc 6-25-3

Sir,

Adverting to para 3 of G.O. No. L. 3448-56-Med. 144-22-45, dated 6th November 1924, laying down the scale of recurring charges to be incurred on account of each of the two Itinerant dispensaries after their convertion to stationery institutions, I have the honor to state that the Comptroller has, in his No. WAD. Mis. 225, dated 29th July 1925, copy enclosed, intimated that the charges for each dispensary should be limited to Rs 130/- per mensem as therein fixed.

2. A comparison of the scale fixed for these two dispensaries with that fixed for the dispensaries to be opened in the Shimoga District, given in the same paragraph of the G.O. 8.6.11.24 will show that, in the latter case the average of the progressive scale of pay sanctioned for the different grades has been taken to calculate the total cost, but in the former case, only the minimum pay of each grade has been taken. For obvious reasons, it will not be possible to always post hands drawing the minimum pay of each grade to these two dispensaries or to transfer each hand as soon as he earns an increment.

3. Again, the grant of Malnad allowance to the staff of dispensaries situated in the Malnad has been sanctioned in G.O. No. L. 360-4-Med. 167-20-4, dated 18/19th July 1924. This G.O. has not been read or otherwise been referred to in the G.O. of the 6th November 1924. It may therefore be reasonably held that both the orders are in force and their combined effect will be to entitle the Compounder, dispensary attendant and waterman of each of the two dispensaries (Royarkoppal and Nagenhalli) to the Malnad allowances sanctioned in the G.O. of July 24.

But as the order fixing the scale of charges is a later one, the Comptroller may not admit malnad allowances to these hands without an express order of Government in that behalf. Again, provision for Bedding & Clothing and for country medicines has been omitted in the scale, and expenditure on this account, which is inevitable, will not be admitted if incurred.

To obviate audit objections and other difficulties I request that the scale of recurring charges on account of the dispensaries at Royarkoppal and Nagenhalli in the Hassan District may kindly be fixed as shown below, the pay of the Midwives sanctioned to the two places in G.O. No.5422-6-San.20-15-12, dated 27-1-1916 and G.O. No. 2377-9-San. 2-16-11, dated 18th October 1916, being also included in the dispensary establishment to facilitate audit. The scale of establishment charges for each of the two dispensaries will thus be

Average	Pay of Sub Assistant Surgeon-----	Rs 33½
	Charge allowance to do	" 20
do	Pay of Compounder----	" 25
	Malnad Allowance to Compounder	" 2
do	Pay of Midwife	" 25
	Malnad allowance to Midwife	" 5
	Pay of Dispensary Attendant	" 11
	Pay of Waterman	" 8
	Malnad allowance to 2 menials	" 2
	Dieting Charges	" 5
	Country Medicines	" 8
	Contingencies	" 5
	Bedding & Clothing etc.,	" 5
	Total	Rs 184½ per

mensem. It will be noted that the rate of pay (Rs 12+3) fixed for the dispensary cooly and peon when they had to itinerate with the Sub Asst. Surgeon has been reduced to the rates of pay and allowed to the Dispensary Attendant and Waterwoman of the other dispensaries newly sanctioned.

I have thehonor to be.
Sir,
Your most obedient servant,

Senior Surgeon

Letter No. WAD. Mis. 225 dated 29th July 1925 from the Comptroller of Mysore, Bangalore, to the Senior Surgeon in Mysore.

I have the honor to invite reference to this office Netter No. 1004/WAD. Mis. of 10-1-25, requesting to be informed of the basis on which the scale of Rs 130/- per dispensary for 1924-25 was fixed against the existing establishment costing Rs 268 and 283/- for Royarkoppal and Nagenhally dispensaries resepectively in Hassan District, I request you to make arrangements so that the total expenditure does not exceed the scale shown in G.O. No. L. 3448-56/ Med. 144-22-45 dated 6-11-24.
